

YOU NEWSLETTER

Issue 1 / 0908

This month has marked the end of the summer holidays and the heat in Dubai but for us, at 'YOU', it marks the start of a fresh new season. This season is one with lots in store for each of YOU. We take this opportunity in welcoming all our members and parents to a new term at 'YOU'.

In the past few months, we have introduced some radical changes in our operations. These changes have been the result of successful episodes and learning experiences. As an organization, which is a platform to nearly 400 members, we are proud to announce **our milestone achievement** being our **official registration with the Indian Consulate** as a recognized organization. As you are part of this 'YOU' family, some of the other changes and developments of interest to you would be:

THE WEBSITE

We have now launched our official website **www.you-dubai.com**. Parents can now get a deeper understanding of the organization and its core activities. Members can now get information on the workshops being held every term, they can also read about the speakers and the topics they are going to discuss as well as learn more about different subjects pertaining to their growth.

SEPTEMBER WORKSHOP SCHEDULE

Schedules can now be found on our website under the 'Schedules' section. Please view the link **<http://www.you-dubai.com/schedule.php>** to get information on our schedule for the month of September.

THE REGISTRATION PROCESS

The registration process for workshops is now QUICK and EASY. Children who are already registered with 'YOU' can register for the workshops. In order to register one has to follow **3 simple steps**:

1. **View** the Schedule at the start of every month to check which workshop is being held for your age group.
2. **Call** on the number **[050 - 2843431](tel:050-2843431)** to register between the given registration dates.
3. **Wait** for a confirmation call from our team, who will inform you whether your name has been selected via a draw that picks out the allotted number of children for the workshop.

PAY IT FORWARD PLAN

'YOU' has now incorporated a payment structure for all workshops. Members will now be requested to make a payment towards their learning. Unlike other organizations, 'YOU' will NOT accept any monetary payment nor will it ask members to make the payment directly towards the organization. At the end of every session, members will have to pledge to indulge in an **'Act of Kindness'** towards somebody known or unknown as a way of paying back for all that they have learnt. More details of this can be found through the link <http://www.you-dubai.com/forwardplan.php>

THE AMBASSADORS CLUB

We are proud to introduce the Ambassadors Club, a group within the organization that act as **Ambassadors for Goodness**. Members of this club will indulge in various social activities that help promote good deeds within the society. The main aim is to bring about virtues of gratitude and sharing amongst children.

OUR SPEAKERS

Our teams of credible and professional speakers have been a great source of learning for all our members, in the past. In this term as well, we intend on bringing in speakers through whom are members can benefit tremendously, with their knowledge and experience. To get a list of our speakers and their profile, log onto: <http://www.you-dubai.com/speakers.php>.

OUR TEAM

With a core team of five members, a year ago, 'YOU' now has a team of 40 dedicated and determined volunteers who have contributed within various departments to give 'YOU' its strong foundation. These volunteers, of various backgrounds, have brought into 'YOU' their expertise and experience in all departments ranging from administration to workshop management in order to enable the functioning of 'YOU' as a full-fledged learning-based organization.

With all these changes, we look forward to your continued support. Your feedback and suggestions, in the past, have been a source of improvement for us and we look forward to hearing from you once again. If you feel there is anything we could do that would improve the experience for your child or for you, as a parent, at 'YOU', please feel free to let us know about it. Also, if there is something you would like to applaud our team for, please feel free to write to us at info@you-dubai.com. We look forward to hearing from you!
